Hi Vanessa,

I hope you're well. I'm writing about my final pay, which was due to land yesterday (13 April 2026). I've checked my account this morning and nothing has come through, and I also haven't had a payslip.

Please could you check what's happened and confirm when I'll be paid? My understanding is that the payment should include:

1. My final month's salary for March 2026 (£2,800 gross).
2. Pay in lieu of the 8 days of accrued but untaken holiday I had on my last working day.
3. The Q4 25/26 commission of £1,500 that Tobias confirmed in writing on 17 March before I left (I can forward you the email if helpful, though I think you were copied).

If there's anything you need from me to get this sorted, please let me know. Otherwise I'd be grateful for a quick update on timings.

Thanks,

Ryan
