Neil this is your last chance. Pay the £4k owed plus the £3,500 extras (£7,500 total) by Friday or you'll be hearing from my solicitor.

Steve I'm not paying £3,500 in extras you've never invoiced or evidenced. I've asked twice to sit down.

You owe me the money and you'll be hearing from my solicitor. You can't just stop paying when you feel like it. Either the £4,000 plus £3,500 in extras by close of business tomorrow or I'll be issuing court proceedings. Don't say I didn't warn you mate.
