Dear Mr Dobbs,

Re: Dobbs v Reeves - Claim no. K7QZ4318

The court has reviewed the file and notes that no witness statement was filed on your behalf by the deadline of 03 March 2026 set by the District Judge's directions order dated 06 January 2026 (paragraph 4 of the order).

I am writing to draw your attention to CPR 32.10:

"If a witness statement or a witness summary for use at trial is not served in respect of an intended witness within the time specified by the court, then the witness may not be called to give oral evidence unless the court gives permission."

If you have not already done so, please file your witness statement at this court office immediately and serve a copy on the Defendant's solicitors (Henley & Pace LLP). If you wish to rely on the witness statement at the final hearing notwithstanding it is late, you must apply on Form N244 for relief from sanctions under CPR 3.9 and pay the relevant fee. The application should be supported by a witness statement explaining the reason for the delay.

The final hearing remains listed for Tuesday 14 April 2026 with a time estimate of 2 hours.

If you require further assistance the court cannot give you legal advice but you may wish to contact Citizens Advice or your local Law Centre. Information about how to apply for an order is also available on www.gov.uk.

Yours sincerely,

L. Bennet
